1. Plaintiff DEBORAH R. BEATON is a *sui juris* resident of the State of Washington and over the age of eighteen (18), and was, at the times relevant, the legal owner of the residential property identified hereinbelow as 22650 24th Avenue South, Des Moines, WA 98198.

2. Defendant, JPMORGAN CHASE BANK N.A. (hereinafter "CHASE") is a national association whose address is 270 Park Avenue, New York, NY 10017.
3. Defendant, NORTHWEST TRUSTEE SERVICES, INC., is a Washington Corporation which affirmatively represented to the Plaintiff herein in writing that its registered agent: Jefferey Stenmen 13555 SE 36th St., Bellevue, WA 98006 accepts service for the Defendant, NORTHWEST TRUSTEE SERVICES, INC.
4. The residential property the subject of this action (hereafter the "Property") is located at 22650 24th Avenue South, Des Moines, WA 98198 in King County, Washington (APN 162204-9155) and is legally described as:

5. Venue is proper in this Court under 28 USC §1391 because the affected subject Property is located in Washington; the Defendants have substantial contacts within Washington; the substantial events and acts necessary or precedent to the bringing of this lawsuit occurred or accrued in King County, Washington.

MacDougall, 545 US 360 (1982), Puckett v. Cox 456 F2d 233 (1972 Sixth Circuit USCA), and Conely v. Gibson, 355 US 41 at 48(1957), wherein the court has directed those who are unschooled in law, making pleadings shall have the court look to the substance of the pleadings rather than the form.

 11 found to be involved.
 12

13
 14 8. This Court has supplemental jurisdiction over any remaining state law claims under
 15 28 USC §1367(a) because the state law claims are so related to the federal claims that
 16 they form part of the same case or controversy.
 17

18 9. This case also arises under the Washington Deed of Trust Act, RCW 61.24 *et. seq*
 19 (DTA) and the Washington Consumer Protection Act, RCW 19.86 (CPA), the
 20 Commercial Code RCW 62A, the Washington Securities Act, RCW 61.20.
 21

22 **Material Facts Common to All Counts**

23 10. The chain of title for the subject Property shows the Plaintiff holding undisputed clear
 24 legal title and equitable title up until August 29, 2006, pursuant to the Quit Claim
 25 Deed recorded in King County, Washington under Auditor's file number
 26 20060906002230 (copy attached).

FIRST AMENDED VERIFIED COMPLAINT

Deborah R. Beaton, Plaintiff
 31431 46th Pl SW
 Federal Way, WA 98023
 (509) 499-1607

1 11. Plaintiff is the author of the unregistered/unsecured Note referenced in the common
2 law document entitled "Deed of Trust" recorded in King County, WA, under
3 Auditor's file no. 20060906002231 (copy attached) and Plaintiff dictated the terms of
4 the unregistered Note and Plaintiff has personal firsthand knowledge of the said
5 terms.
6

7 12. There is no evidence the Plaintiff's unregistered/unsecured Note and or Deed of Trust
8 was or is registered/secured in the WASHINGTON UCC registry or subject to
9 Uniform Commercial Code which Washington has codified as RCW 62A.
10

11 13. Pursuant to Plaintiff's Affidavit, Plaintiff has seen no evidence that the Note relied
12 upon by the Defendant(s) is the same Note referenced in the said Deed of Trust and
13 thus Plaintiff disputes the validity of the alleged debt.

14 14. Pursuant to Plaintiff's Affidavit, Plaintiff has seen no evidence that the Beneficiary in
15 fact accelerated the Note due date or declared the Plaintiff in default.

16 15. Plaintiff has not acquiesced to the Defendant(s) non-judicial foreclosure proceedings.
17

18 16. On or about December 16, 2010, Defendant(s) slandered title to the subject Property
19 and injured the Plaintiff by recording a Notice of Trustee Sale in the public records of
20 King County, Washington under Auditor's File No. 20101216000340.

21 17. On or about June 3, 2011, Defendant(s) sold Plaintiff's subject Property at Trustee's
22 Sale and injuring the Plaintiff.
23

24 **CLAIMS FOR RELIEF:**

25 18. The Plaintiff incorporates all preceding paragraphs in these allegations.

26 19. Disparity. There is a federal question as follows: to contest an alleged default, to

1 restrain a Trustee's Sale, to contest a Trustee's material violations pursuant to
 2 Washington's DTA (RCW 61.24. *et. seq.*; *esp.* RCW 61.24.030(8)(j), RCW 61.24.127, RCW
 3 61.24.130) the Plaintiff's only remedy is recourse to the Courts; but, the Courts have
 4 deemed that requests for production of the Note lack merit¹. Plaintiff is potentially cut
 5 off from the said remedy unless *Equity* provides a balance, which it can, by also
 6 barring any 'alleged' default under that Note to avoid creating a "disparity" between
 7 classes of persons (borrower and lender), a violation of civil rights. The DTA confers
 8 no power to foreclose a contested 'alleged' default and there is no other law requiring
 9 the Plaintiff to produce actual payment or proof of payment to cure an 'alleged'
 10 default for obvious reasons. It could be extortive if the default is falsely alleged and
 11 strip the Plaintiff of basic civil rights protected under title 42 USC §§1981-1986 if not
 12 somehow balanced by the Court. This case was originally filed before the Trustee's
 13 Sale occurred and the alleged default was contested but the Court presumed the
 14 Defendant's claim on the Note and claim of alleged default as if totally proven facts
 15 and denied Plaintiff's motions to restrain the Trustee's Sale, nonetheless the Plaintiff
 16 still has the right to demand proof of the Defendant's 'alleged' default and is entitled

1 to relief if the proof is not provided.

2 20. Breach of Contract - unanswered QWR: Plaintiff sent a Qualified Written Request to
3 the Defendant, CHASE, and to date Plaintiff has never received any response and/or
4 received an inadequate response that failed to comply with 12 U.S.C. § 2605(e).
5 Plaintiff disputes that the Defendant, CHASE is/was in compliance with RESPA at
6 the time of trustee's sale. A copy of the Plaintiff's Qualified Written Request is
7 attached as an exhibit.
8

9 21. Equitable Estoppel - invalid debt: Plaintiff alleges that Defendant, NWTS is in
10 violation of the Fair Debt Collection Practices Act (FDCPA), 15 USC §1692 – 1692p.
11 Plaintiff disputes the alleged debt. Plaintiff has received no verification of the debt to
12 date. The Defendants were required to cease and desist collection activities until the
13 debt was verified but instead foreclosed the subject Property under an unsecured
14 Note.
15

16 Secondly, it appears the Defendant CHASE is a factor/purchaser of defaulted
17 and or deeply discounted loans. Therefore the Defendant CHASE would also be
18 subject to the FDCPA but failed to offer to validate the debt, never sent a dunning
19 letter, and not only threatened but took non-judicial action to collect the unsecured
20 alleged debt all of which violates FDCPA.
21

22 Third, Washington law provides that recordation of an Assignment of Deed of
23 Trust may be omitted because the DOT follows the Note; however RCW 61.24.020
24 clearly states that Deed of Trust are subject to mortgage laws and, in this particular
25 case, by failing to recorded an assignment, the Defendants failed to establish their lien

1 priority pursuant to RCW 65.08.070. Nonetheless, it appears under Washington law
2 the other way to establish a lien priority (perfect a security interest) is by an unbroken
3 chain of endorsements of the Note. This means each successive intermediary holder
4 must endorse the Note to the next holder. Blank or incomplete endorsements
5 obviously break the chain and unsecure the identity of the lien holder from the public
6 record and Deed of Trust. Here, the Defendants have neither assignments nor
7 endorsements. RCW 62A.3.301 'person entitled to enforce' arguments fail in the
8 instant matter. Thus, Defendants foreclosed an unsecured Note and violated the Fair
9 Debt Collection Practices Act (FDCPA), Materially violated the DTA, violated the
10 Plaintiff's civil rights to contract pursuant to 42 USC §1981-§1986. These violations
11 did not exist when the former complaints were filed, and only became material after
12 the Trustee's Sale, thus the Plaintiff will require leave to amend the complaint
13 accordingly.

14
15
16 22. Erroneous Credit Reporting: Defendant, CHASE violated the Fair Credit Reporting
17 Act (FCRA), 15 USC § 1608, by reporting of the alleged debt/obligation on the
18 Plaintiff's credit report. Plaintiff properly disputed this alleged debt to Chase. Plaintiff
19 properly disputed this alleged debt to credit reporting companies. To date Plaintiff has
20 received no validation of the debt but the matter remains on Plaintiff's credit report at
21 the request of Defendant CHASE and received no response. A copy of the Plaintiff's
22 dispute letter is attached as an exhibit.

23
24
25 23. Fraudulent Foreclosure of Incorrect Note: The Note the Defendant represented as the
26 original and foreclosed on is not believed to be the Note the Plaintiff made. See

Deborah R. Beaton, Plaintiff

(509) 499-1607

Deborah R. Beaton's Affidavit of Note Maker. Materially there is no nexus between the Note the Defendant foreclosed on and the Note the Plaintiff made. The Note copy relied upon by the Defendant(s) suggests that they knew or should have suspected it was false but vehemently chose to act on it anyway as evidenced by the Trustee's Sale. When the Plaintiff made her Note she had no knowledge of this fact, that she made a Note and it would be used as a basis to defraud her via an 'alleged' default and that the public would be victimized by the fraud as well. The Plaintiff disputes the authenticity of the purported Note relied upon by the Defendants. Plaintiff is entitled to actual damages, relocation costs, plus other related costs and fees for this lawsuit as well as treble damages pursuant to RCW 19.86. See *Stiley v. Block*, 130 Wn. 2d 486, 505 (1996); *Schwartz v. KMPG LLP*, 476 F.3d 756, 764 (9th Cir. 2007); *Plein v. Lackey*, 149 Wn. 2d 214, 229 (2003).

24. Forfeiture on Foreclosure: Ordinarily the Lenders like the original Lender WASHINGTON MUTUAL BANK, FA are required to use accrual accounting which requires them to report the entire \$354,940.40 of interest income receivable on the Plaintiff's purported loan account as income for tax year the loan closed unless they transferred the purported Loan to a tax exempt REMIC/REIT within 90 days of closing (26 USC §856). Defendant CHASE does not appear to be a tax exempt REMIC/REIT. Thus, Plaintiff believes there is an unresolved tax matter and if so the Defendant NWTs's the sale of the Plaintiff's property was a Prohibited Transaction pursuant to 26 USC §857(b)(6)(B)(iii) and §1221(a)(1). If these taxes were not paid, Plaintiff as the 'donor' has the right pay them and invoke the right of recoupment and

setoff. "The donor may be deemed to have paid the tax by ordering the donee to pay it to the IRS." *Estate of Sachs v. Comm'r*, 88 T.C. 769, 778 (1987), aff'd F.2d (1988 WL 94421)(1988). Plaintiff HEREBY orders the donee and/or donee's successor in interest to pay the tax due to the IRS.

25. Recoupment and Setoff: Pursuant to 15 USC §77b(a)(1); 15 USC § 78c(a)(10); RCW 21.20.005(12)(a); RCW 21.20.310(9) the Plaintiff's Note is in fact a non-negotiable Security (financial asset). It guarantees Plaintiff the right of recoupment and setoff pursuant to CFR 16 § 433.2, 15 U.S.C. §1640 if the loan contract is breached. It was taken subject to the Plaintiff's claims and defenses. There is no evidence of the Defendant(s) standing to foreclose non-judicially.

26. Material Violations – Washington Deed of Trust Act. The Beneficiary's Declaration does not comply with RCW 61.24.005(2) but instead relies upon the RCW 62A.3.301. This declaration fails because the true Beneficiary, as defined by RCW 61.24.005(2), must assert its own legal rights and may not assert the legal rights of others. *Sprint*, 554 U.S. as 289; *Warth*, 422 U.S. at 499; *Oregon v. Legal Servs. Corp.*, 552 F.3d 965, 971 (9th Cir. 2009).

Furthermore, *In re: Veal*, Bk. No. 09-14808, 9th Cir. BAP, June 10, 2011, Case No. 10-1055 [2011 WL 2304200], Chapter III. Discussion §(B)(1) page 17: (underline and emboldened printed is added for emphasis only) "**Here, the parties assume that the Uniform Commercial Code ("UCC") applies to the Note. If correct,**". This brings into question whether the UCC applies to Plaintiff's Note and Deed of Trust at all since the Note Maker / Plaintiff never intended for it to.

1 Lastly, in *Pavino v. Bank of America*, USDC WDWA Case No. 2:10-cv-01943-
 2 RSL, Order dated 03/04/2011, §C (Dkt. 26), the Court ruled there is no legal authority
 3 holding that a “person entitled to enforce” an instrument within the meaning of RCW
 4 62A.3-301 qualifies as a “beneficiary” within the meaning of RCW 61.24.005(2).
 5

6 27. Slander of Title – Notice of Trustee’s Sale. There is no evidence that the Defendant(s)
 7 were within the statutory and equitable parameters required when they executed the
 8 Notice of Default and recorded the Notice of Trustee’s Sale which slandered title to
 9 the Plaintiff’s property and led to the loss of the property. The Notice of Default only
 10 alleges a default it does not prove a default. The Defendants foreclosure process is a
 11 scandalous and impertinent inference that the Plaintiff defaulted/failed to pay her
 12 obligation, not a proven fact. Defendant(s) slandered title and injured the Plaintiff by
 13 recording the Notice of Trustee’s Sale as evidenced by the Trustee’s Deed.
 14

15 **WHEREFORE**, the Plaintiff prays for judgment to be entered jointly and severally herein
 16 against all Defendants as follows:
 17

- 18 (a) For payment money for actual damages in the amount of \$271,960.00 plus relocation
 19 costs and other related costs and fees for this lawsuit as well as treble damages
 20 pursuant to RCW 19.86;
 21 (b) For a judgment pursuant to the provisions of the Fair Debt Collection Practices Act
 22 and Fair Credit Reporting Act for each violation and for punitive damages plus per
 23 diem adjustments and possibly Private Attorney General fees as prescribed by law to
 24 be determined at trial; *Graziano v. Harrison*, 950 F.2d 107, 113 (3d. Cir. 1991), 15

TRANSFER OF RIGHTS IN THE PROPERTY

This Security Instrument secures to Lender: (i) the repayment of the Loan, and all renewals, extensions and modifications of the Note; and (ii) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, the following described property located in the COUNTY of KING :

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the

Initials: *DRB*

Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the

term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount, and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Initials: 

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was

Initials: DRB

required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

Initials: *DRB*

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. **Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and

Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair

market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. **Notices.** All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. **Governing Law; Severability; Rules of Construction.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. **Borrower's Copy.** Borrower shall be given one copy of the Note and of this Security Instrument.

18. **Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property.

Initials: *DRB*

Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property at public auction at a date not less than 120 days in the future. The notice shall further inform Borrower of the right to reinstate after acceleration, the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale, and any other matters required to be included in the notice by Applicable Law. If the default is not cured on or before the date specified in the notice, Lender at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and/or any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee and Lender shall take such action regarding notice of sale and shall give such notices to Borrower and to other persons as Applicable Law may require. After the time required by Applicable Law and after publication of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of the Property for a period or periods permitted by Applicable Law by public announcement at the time and place fixed in the notice of sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

ZWA2

23. **Reconveyance.** Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs and the Trustee's fee for preparing the reconveyance.

24. **Substitute Trustee.** In accordance with Applicable Law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

25. **Use of Property.** The Property is not used principally for agricultural purposes.

26. **Attorneys' Fees.** Lender shall be entitled to recover its reasonable attorneys' fees and costs in any action or proceeding to construe or enforce any term of this Security Instrument. The term "attorneys' fees," whenever used in this Security Instrument, shall include without limitation attorneys' fees incurred by Lender in any bankruptcy proceeding or on appeal.

ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT, OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

QUALIFIED WRITTEN REQUEST COMPLAINT, DISPUTE OF DEBT, DEMAND FOR VALIDATION OF DEBT AND TILA REQUEST

This letter is a "qualified written request" in compliance with and under the Real Estate Settlement Procedures Act, 12 U.S.C. Section 2605 (e). This demand is for the complete accounting detail of account number # 3010931255-048

(hereinafter the subject loan and is the reference for all question and requests described below).

Dear Sir or Madam:

I am writing to you to complain about the accounting and servicing of this mortgage account number # 3010931255-048 our need for understanding and clarification of various sale, transfer, funding source, legal and beneficial ownership, charges, credits, debits, transactions, reversals, actions, payments, analysis and records related to the servicing of this account from its origination to the present date.

To date, the documents and information I have, that you have sent and the conversations with your service representatives have been unproductive and have not answered our questions.

Needless to say, I am very concerned. With all the news lately regarding the stories of predatory lending, you have left us feeling that there is something you are trying to hide. I am concerned that potential fraudulent and deceptive practices by unscrupulous mortgage brokers; sales and transfers of mortgage servicing rights; deceptive and fraudulent servicing practices to enhance balance sheets; deceptive, abusive and fraudulent accounting tricks and practices may have also negatively affected any credit rating, mortgage account and/or the debt or payments that I am currently, or may be legally obligated to.

I hereby demand absolute 1st hand evidence from you of the original or certified security regarding account # 3010931255-048.

In the event you do not supply us with the security instrument, it will be a positive confirmation on your part that you never really created and owned one.

I hereby demand that a chain of transfer from you to wherever the security is now be promptly sent to us as well. Absent the actual evidence of the security I have no choice but to dispute the validity of your lawful ownership, funding, entitlement right, and the current debt you say I owe. By debt I are referring to the principal balance you claim I owe; the calculated monthly payment, calculated escrow payment and any fees claimed to be owed by you or any trust or entity you may service or sub-service for.

To independently validate this debt, I need to conduct a complete exam, audit, review and accounting of this mortgage account from its inception through the present date. Upon receipt of this letter, please refrain from reporting any negative credit information (if any) to any credit reporting agency until you respond to each of the requests.

I also request that you conduct your own investigation and audit of this account since its inception to validate the debt you currently claim I owe. I would like you to validate the debt so that it is accurate to the penny!

Please do not rely on previous servicing companies or originators records, assurances or indemnity agreements and refuse to conduct a full audit and investigation of this account.

I understand that potential abuses by you or previous servicing companies could have deceptively, wrongfully, unlawfully, and/or illegally: Increased the amounts of monthly payments; Increased the principal balance I owe; Increased the escrow payments; Increased the amounts applied and attributed toward interest on this account; Decreased the proper amounts applied and attributed toward the principal on this account; and/or Assessed, charged and/or collected fees, expenses and miscellaneous charges I are not legally obligated to pay under this mortgage, note and/or deed of trust.

I request you insure that I have not been victim of such predatory servicing and lending practices.

To insure this, I have authorized a thorough review, examination, accounting and audit of mortgage account # 3010931255-048 mortgage auditing and predatory servicing or lending experts. This exam and audit will review this mortgage account file from the date of initial contact, application and the origination of this account to the present date written above.

Again, this is a Qualified Written Request under the Real Estate Settlement Procedures Act, codified as Title 12 section 2605(e) of the United States Code as well as a request under the Truth In Lending Act 15 U.S.C. section 1601. RESPA provides substantial penalties and fines for non-compliance or failure to answer my question provided in this letter within sixty (60) days of its receipt.

In order to conduct the examination and audit of this loan provide full and immediate disclosure

including copies of all pertinent information regarding this loan.
